**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC, you know the drill...competition is healthy and necessary for good services. We need more competition not less. Most of us in this economy don't have extra money to spend on rate hikes from the lack of competitive businesses. Please do your part to insure a fair and just internet.

A rural American with choices too limited already
